

SECOND AMENDMENT TO RESOLUTION BY THE REPUBLICAN RIVER
COMPACT ADMINISTRATION APPROVING OPERATION AND ACCOUNTING
FOR THE COLORADO COMPACT COMPLIANCE PIPELINE AND COLORADO'S
COMPLIANCE EFFORTS IN THE SOUTH FORK REPUBLICAN RIVER BASIN

RECITALS

Whereas, on August 24, 2016, the Republican River Compact Administration adopted a resolution approving operation and accounting for the Colorado Compact Compliance Pipeline and Colorado's compliance efforts in the South Fork Republican River Basin ("2016 Resolution");

Whereas, on November 6, 2018, the Republican River Compact Administration adopted the "First Amendment to Resolution by the Republican River Compact Administration Approving Operation and Accounting for the Colorado Compact Compliance Pipeline and Colorado's Compliance Efforts in the South Fork Republican River Basin" (2018 First Amendment);

Whereas, the 2016 Resolution reads in part: "the Republican River Water Conservation District, acting by and through its Water Activity Enterprise ("RRWCD WAE"), has acquired fifteen wells ("Compact Compliance Wells") in the Republican River Basin in Colorado and has constructed collector pipelines, a storage tank, a main transmission pipeline, and an outlet structure capable of delivering groundwater to the North Fork of the Republican River for the sole purpose of offsetting stream depletions in order to comply with the State of Colorado's Compact Allocations"; and

Whereas, the RRWCD WAE has acquired two additional wells located to the west and north of the original Compact Compliance Wells and wishes to construct additional pipelines to connect the new wells to the existing Colorado Compact Compliance Pipeline; and

Now, therefore, be it resolved that in consideration of the negotiations completed between the states, the RRCA hereby authorizes the RRWCD WAE to add the two new wells to the existing Compact Compliance Wells by amending the fifth Whereas in the 2016 Resolution as follows:

The fifth Whereas in the 2016 Resolution, as amended, shall now read:

"Whereas, the Republican River Water Conservation District, acting by and through its Water Activity Enterprise ("RRWCD WAE"), has acquired seventeen wells ("Compact Compliance Wells") in the Republican River Basin in Colorado and has constructed collector pipelines, a storage tank, a main transmission pipeline, and an outlet structure capable of delivering groundwater to the North Fork of the Republican River for the sole purpose of offsetting stream depletions in order to comply with the State of Colorado's Compact Allocations;"

This amendment does not alter any other terms of the 2016 Resolution or the 2018 First Amendment.
